About our hampers

Richmond View School Foundation is seeking sponsors to join with us in creating 200 Mothers' Day Breakfast Hampers to sell locally.

The hampers will showcase locally made products as much as possible, and all businesses who contribute sponsorship will receive advertising through local newspapers, social media and within each hamper sold.

Sponsors can also contribute spot prizes that will be delivered along with the winning hampers.

Money raised from selling these hampers will contribute towards new playground equipment for RVS Junior School students.

How you can help

- I would like to donate an item for the hampers.
- I would like to donate a gift voucher to the school to be used to purchase products from our company for the hampers.
- I would like to donate money to the school to be used to purchase products for the hampers.
- I would like to donate an item to be used as a spot prize.
