

NEW DROP OFF ZONE OPENS TOMORROW

Starting from tomorrow morning, you are welcome to use the new drop off zone to the right of the inward entrance. The yellow areas in the map below are **drop off only zones on week days**, no waiting. If you wish to park or wait, please use the standard white parking spaces.

The car park has fresh arrows painted and is now entirely one way. I am pleased that the new layout will make our carpark an even safer place to be. Please continue to drive slowly and model safe pedestrian carpark behaviour as you collect your children.

This work is a continuation of the great work being done by our proprietors to provide quality spaces for our school as it grows. You are welcome to speak with me about the property or you can see the overall property concept here <https://www.rvs.school.nz/change-of-class-progress>

Thank you for your patience and support as we pursue excellent Christian Education here in Marlborough.

God bless,

Dave Pauling
Principal
