'Daniel, A Hard Act to Swallow'

Dear Parents/Whanau,

As you know we are now in full swing preparing for our whole school production, 'Daniel, A Hard Act to Swallow'. The children have been working hard at learning songs, trying on costumes and learning spoken lines.

Over the next few weeks there will be many more practices within school time and this will culminate in Week 10 with us performing over 3 separate days. Some of these days are matinees for local schools and one is our evening show for parents/whanau. We will be performing the show to no less than 4 schools in Marlborough!

Below is an outline of our performances.

Week 10

Monday 3rd July - Dress Rehearsal

Tuesday 4th July – Matinee Performance for local schools starts 1.00pm – RVS finishes normal time, 3pm.

Wednesday 5th July - Matinee Performance for local schools starts 1.00pm – RVS finishes normal time, 3pm.

Thursday 5th July – Two Performances

- Matinee for local schools starts 11.00am
- Evening performance starts 6.30pm. **Children to be at school no later than 6.00pm**

Given that the children will be performing over a number of days and may be tired. We are allowing parents/whanau the opportunity to take children home early on Thursday at 12.45pm (lunch time), to rest **BEFORE** the evening performance. **Should you wish to do this** the form overleaf needs to be completed and returned to the office by **no later than Friday 30th June**.

Many thanks for your continued support.

The staff,
